

Dear Moosebutter,

I am the music teacher from Highwood, Montana, and I wanted to thank you so much for coming to sing at our school yesterday. The administrator here has been skeptical of the quality of performing groups that our county art council has been bringing in, and yesterday, you all proved his fears unfounded. He told me today that the school is willing to keep paying to have performers brought in; they had been considering cutting that from the budget.

I am also glad that you gave my choir boys a great example of how it is fun to sing EVEN if you are a GUY. I hope they will be inspired in the future to put forth more effort in choir. Your performance was a blast; I don't think I have laughed that much since I started teaching. (Just kidding. Teaching is great...mostly.) I hope you all find continued success as a performing group and keep inspiring young musicians everywhere!

Thank You!!!!!!
